CHANCE SHOT WINS RICH BELMONT STAKES

YEDDO OAKS WINNER

Texas-Owned Filly Surprises and Defeats Mary Jane.

Filly Race Purse at Washington Park Worth $5,120—Mary Jane Top-Heavy Favorite.

HOMEWOOD, Ill., June 11.—The Three D's Stable's Yeddo, a daughter of the renowned Man o' War—Yokohama, took the measure of the crack Mary Jane in the Illinois Oaks, carrying a net value to the winner of $5,120.

Mary Jane finished in second place and Patricia Marian just managed to outstay Handy Mandy for third place. The race was run in the good time of 1:54⅕. Eight fillies started.

Mary Jane enjoyed overwhelming favoritism and flattered her many backers when she moved into a good lead after displacing Damosel. She appeared to have the race won on reaching the stretch turn, but suddenly Connelly began employing the whip and Yeddo, which had been close in pursuit, began cutting down her lead perceptibly and there was a shout of chagrin when the Texas-owned filly suddenly passed the favorite to win an easy victory.

Prior to the start, Yeddo caused some excitement by breaking through the barrier and dashing off for three-sixteenths before jockey M. Fator succeeded in getting her under control. When the start came she was with the leaders and forced the pace for the first half mile. At this stage her rider began taking her back sharply, but she continued at a steady pace and when called on readily overhauled Mary Jane.

SURPRISE VICTORY.

Yeddo first graduated into the winning ranks at New Orleans, when C. E. Durnell took over the Three D's Stables extensive band of racers, but her performances since that victory have been ordinary and she was given but slight consideration as a possibility to take Mary Jane's measure this afternoon. Patricia Marian and Handy Mandy raced well in the race but Krick ran disappointingly.

Homewood finally came into its own, for today's attendance was the greatest in the track's history. Activities and interest in the sport was commensurate with the big crowd. It was highly pleasing to the management that the course is finally securing the recognition the untiring efforts of the management to provide the best there is in the sport deserve. There has been a constant improvement in all departments, during the week, and it is mounting steadily.

Secretary Joe McLennan provided a racing offering this afternoon that appealed to the full strength of racing enthusiasts in this section and brought to the course persons prominent in society, political and business spheres. It was an attendance that any course could well be proud of.

Surrounding the Illinois Oaks were the Lakeshore Handicap and the Nip and Tuck Purse. Each brought out some of the best in these parts and resulted in spiritedly fought contests. The handicap fell to Flagstaff, which beat home George De Mar and Banton, after a furious drive through the stretch.

CUDGELLER SCORES.

H. G. Bedwell's Cudgeller was victor in the Nip and Tuck Purse. He beat home Rival and Sixty. The trio at all times dominated the race, but the winner only managed to shake off his rivals in the last sixteenth. Rival and Sixty continued their hard-fought effort until the final stretch strides, Rival getting the place by a matter of inches.

H. P. Gardner annexed the opening race with his Seventeen Sixty in a spectacular duel with Polita and Dan Burnham. The trio finished heads apart, with Domesticated also only a short distance in the back of the leaders. Seventeen Sixty was a prominent factor from the start, wearing down Domesticated in the last eighth and gamely withstanding the determined bid made by Polita and Dan Burnham in the final drive. Isostasy was the favorite in the race, but Pool gave him an amateurish ride and took him back sharply for no reason, while in a contending position. He rode him weakly through the stretch. With a better ride he would have figured strongly in the result.

The Bloomfield Stable's Marshall Ney, capably ridden by the diminutive P. Hebert, was home winner of the second race, which brought a dozen good platers to the post. Big Sweep was the favorite here and, after racing in the lead to the last sixteenth, gave way to the winner, which then went on to an easy score. Kum Kalessi raced best of the others and was always formidable. The

LATONIA'S ALLURING ATTRACTIONS

W. E. Hupp's Reveries' Gal Scores in Historic and Popular Clipsetta Stakes

J. N. Camden's Nor'easter Beats Percentage in Driving Finish for Honors in Quickstep Handicap After Spectacular Contest

LATONIA, Ky., June 11.—Saturday's large attendance at fair Latonia witnessed renewals of the historic Clipsetta Stakes, at five and one-half furlongs, for two-year-old fillies; and the Quickstep Handicap, for three-year-olds and upward, at three-quarters, the principal features of a fine program over a dull track. The Clipsetta fell to W. E. Hupp's much-fancied Reveries' Gal, with the Foxcatcher Farm's Pink Lily in second place, and D. Lehan's Aspinwall Girl third. It was the forty-fifth running of this long-established fixture, while the sixteenth decision of the Quickstep Handicap resulted in victory for J. N. Camden's Nor'easter, which outlasted J. W. Parrish's Percentage in a driving finish. A half-length separated the two at the finish, while E. B. McLean's Prince of Wales accounted for third, a length further back.

The Clipsetta carried a net winning value of $7,620, while Nor'easter's victorious performance enriched his justly proud owner by $6,620.

The Quickstep Handicap gave promise of proving an easy win for R. S. Clark's Dinner Dance, which raced into a long lead in the first quarter and continued far in advance of his company when completing the stretch turn.

While he led the field, Prince of Wales, Percentage and Nor'easter were in the more forward positions behind him and, when he began to tire suddenly, approaching the last eighth, they went to him quickly. In the last eighth Nor'easter slipped through between the tiring Prince of Wales and Dinner Dance and, making a game finish, proceeded to wear down Percentage in the last eighth.

It was a thrilling finish to one of the finest runnings that the race has ever experienced, the field of twelve including all of the leading western sprinters. The winner was ridden by W. Garner.

With fair weather the order, after heavy showers during the previous night, climatic conditions were ideal, but the track was heavy for the running of the first four races and decidedly slow the remainder of the afternoon. The throng included numerous visitors from points throughout the Blue Grass and adjacent districts.

The triumph of Reveries' Gal was easily accomplished, the trim daughter of High Time and Reveries racing into a comfortable lead in the first eighth and, going in fine form, she was not called upon for her best thereafter. Johnson kept her a good distance in front of her closest pursuers until within the shadow of the finish, where she was taken in hand to reduce her advantage to three lengths over Pink Lily. There was a close finish for second place, the Foxcatcher Farm filly barely getting up in the last stride to poke her nose in front of the tiring Aspinwall Girl. Pink Lily was required to race from a good distance back in the last three-eighths, while it was Aspinwall Girl

EASY FOR REPUBLIC

Polk Laffoon's Good Colt Takes Valley Stakes in Canter.

Proves Superiority Over Rivals in Saturday's Chief Attraction at Fairmount Park.

COLLINSVILLE, Ill., June 11.—Polk Laffoon's two-year-old colt Republic easily accounted for the $5,000 added Valley Stakes, the outstanding attraction of the Fairmount Jockey Club here this afternoon. The son of Busy American—Sherry was only cantering at the end of the five and a half furlongs, over which distance the race was decided, and landed five lengths in advance of A. A. Kaiser's first-time starter Bonivan, the latter outstaying Gaineswood by a margin of three lengths. Gaineswood raced in the colors of Brownell Combs. Another half length back came Mac Maxim to account for the fourth portion of the prize. H. P. Headley's Uncle Boot was a badly beaten and distant last in the field of five which started.

All four of the other starters which Republic was pitted against belong in the maiden class, having still to break into the winning column in a race, and it was indeed an easy matter for Republic to vanquish his opponents.

His success was largely anticipated, as was indicated by the support accorded the colt when he ruled an overwhelming favorite, being backed to the complete exclusion of the others. His backers received the smallest dividends which have been returned by any winner during the present meeting.

A great response from the followers of the sport in nearby St. Louis and the neighboring Illinois cities resulted and the large crowd filled the big stand and overflowed the betting enclosure and lawns. The clubhouse delegation also numbered in excess of that on recent occasions.

Republic's victory enriched the coffers of his popular owner to the amount of $6,170, the winner's share of the valuable stake. He was aided in his success by the faultless riding of jockey L. Pichon, at present the leading rider at Fairmount Park.

Calculations were entirely upset in the introductory race, when the choices were excluded from figuring in the division of the

COL. MATT WINN DEPARTS

HOMEWOOD, Ill., June 11.—Col. Matt J. Winn departed this evening for a brief visit to Fairmount Park and will return next week to give his attention to the work of improvements under way at Lincoln Fields. Dan E. O'Sullivan is expected here next Monday from Latonia to remain for several days looking after some detail work in connection with the opening of the Lincoln Fields track.

BUYS FILLY MARY JANE

HOMEWOOD, Ill., June 11.—Mrs. W. A. Harriman, who races under the name of the Arden Farms, became the owner of the crack filly Mary Jane during the morning and the filly raced in her interest in the Illinois Oaks. Adolph Pons, acting for Mrs. Harriman, concluded arrangements with Messrs. Gallagher and Combs this morning for the sale. The filly will be kept in the West and race under the management of Gallagher and Combs. The price involved was not made public. Mary Jane is by Pennant—Bourbon Lass, a half-sister to Chilowhee and Menifee, and already has the Ashland Oaks and the Kentucky Oaks to her credit. Bourbon Lass, the dam of Mary Jane, was sold to J. E. Widener for a consideration said to be $20,000. Mary Jane after her racing is intended to go into the stud at Arden Farms.

RACE WORTH $60,910

Carries J. E. Widener's Colors to Notable Triumph.

Buddy Bauer Finishes Unplaced—National Stallion Stakes to H. P. Whitney.

NEW YORK, N. Y., June 11.—Joseph E. Widener's Chance Shot, the magnificent son of Fair Play and Quelle Chance, just about proved himself champion of the three-year-olds when he was an easy winner of the one mile and a half Belmont Stakes. The prize was worth $60,910 to the winner and the consummate ease with which the colt scored left no doubt of his being the three-year-old of the year. He was best from the rise of the barrier and there was no time when he was really threatened. William Ziegler, Jr.'s, Bois De Rose, by a magnificent rush at the end, was second, a length and a half back of the Widener champion, which was being eased up by Sande and right at his heels was William Woodward's Flambino, beating the Sage Stable's Rip Rap easily, while Edward R. Bradley's Buddy Bauer, winner of the Fairmount Derby, was still further back and leading home the Sagamore Stable's Gold Coin, the only other starter.

It was the closing day of the Westchester Racing Association meeting at beautiful Belmont Park, and it was the most brilliant program of the meeting, a program that brought out a tremendous crowd.

The most important companion feature to the Belmont was the National Stallion Stakes, and this fell to Harry Payne Whitney's Groucher, while Earl Sande had the mount on both of the stake winners. The National Stallion Stakes had a value of $22,710.

ONLY TWO ABSENTEES.

Laddie and Account were the only absentees from the overnight entries for the Belmont Stakes, and it was generally agreed that they did not figure in the race, so their elimination caused no concern. No time was lost at the barrier and the six were sent away in excellent allignment with McAuliffe hustling the filly Flambino into an early lead.

She began from the outside position, and it was an effort to save ground on the turn that induced McAuliffe to hurry. Chance Shot had the inside position, and Sande, holding to that place, beat the filly to the corner, and he was showing the way.

From that time it was Chance Shot all the way. He was under steady restraint, and Flambino raced alongside of him, with Gold Coin at the heels of the filly, and Buddy Bauer racing well in fourth place. There was daylight back of the Bradley hope, and then followed Rip Rap, running along next to the rail, and Bois De Rose in the rear. He was going well but many lengths from the leaders.

It was not until a mile and an eighth of the mile and a half had been covered that Chance Shot drew away from Flambino and, as she shook off the filly, Sande never eased his hold on the son of Fair Play. At that stage of the race Alfred Johnson made a move on the outside with Buddy Bauer, and for a few strides the Fairmount Derby winner moved up gallantly.

O'Donnell called on Rip Rap at the same time and he also improved his position, but Flambino was not through by any means and she still had them both headed as the field swung into the stretch.

By that time, Chance Shot was speeding along three lengths to the good and under restraint, and at the same time Bois De Rose, under a rousing ride by Fator, was making up ground rapidly on the outside. Both Buddy Bauer and Rip Rap tired badly, under punishment, and still Bois De Rose continued to gain until he was alongside of Flambino. In the meantime Sande had eased Chance Shot dangerously and, as a result, the Ziegler colt was just a length and a half back of him at the end.

Had Sande asked Chance Shot to run in the stretch he would have won by a much bigger margin.

EASY FOR GROUCHER.

Harry Payne Whitney's Groucher, after several failures, had all the best of it in the National Stallion Stakes, when Sande beat the barrier with him and the race was virtually decided at the start. Sending him away into a long lead, Sande had only to sit still and hold the colt together to hold others perfectly safe and at the end he was still four lengths to the good. The Sagamore Stable's Scotch and Soda raced to second place, when he outgamed the Wheatley Stable's Diavolo and Distraction only saved

Here and There on the Turf

Moving to Aqueduct.
Quality of Nimba.
Grand National 'Chase.
Other June Fixtures.

Today there comes a change in the New York scene of racing. The Queens County Jockey Club will entertain at the old Aqueduct course until July 6. The twenty-one day meeting of the Westchester Racing Association at beautiful Belmont Park was a notable affair of good sport, even though for a considerable period of that time weather conditions were a serious handicap. But in spite of the cold and unseasonable weather, the attendance throughout was big while on the special occasions and when weather smiled, the beautiful course was visited by tremendously big crowds.

Aqueduct has always been a favorite track with many of the patrons of New York racing. While the old grounds offer nothing like the beauty of surroudings found at the Nassau County racing ground, few better racing strips are to be found in this or any other country than that at Aqueduct. That makes it popular with the horsemen and it makes for truly run races. The Queens County Handicap will fittingly usher in the Aqueduct meeting and this renewal of the mile dash should be a worthy one. Then the steeplechasers are afforded an opportunity, while the setting for these two races is an excellent one.

Each one of the various race courses about the New York circuit has its own particular clientele, in addition to those who casually visit each track if only for a change of scene, and this applies with considerable force to Aqueduct. This old course brings out many who are seldom seen at any other racing ground. For the most part, it is an inherited patronage from the old Brooklyn Jockey Club that conducted its racing at Gravesend, as well as those who have been faithful to Aqueduct from the beginning. This afternoon all of those will be on hand to welcome the thoroughbreds back and to not a few their days of racing are confined each year to Aqueduct in the summer and fall.

After the inclement weather that has been almost the rule since the opening of the racing season, it is reasonable to expect that Aqueduct will be blessed with better conditions and it should be the beginning of one of the most successful meetings in the long history of the Queens County Jockey Club.

Unfortunately the news columns of Friday's issue intimated that it would cause something of a sensation if Marshall Field should put up Nimba, his Coaching Club American Oaks winner as a starter in the Belmont Stakes. It would have caused something more than a sensation for Nimba was not an eligible to the race.

Nimba had been nominated to the Belmont Stakes, but she is one of several that were declared from the big race. She was taken out in March of this year and doubtless both Mr. Field and George Odom regret that she was not left in the eligible list. The declaration of this filly took out the last of Mr. Field's eligibles to the big race, though he had as many as nine eligibles to the race. These were: Merona, Widow's Weeds, Omniad, Chickasaw, Polycrates, Nancy Ann II., Nimba, Cornbelt and Regina R.

No filly of the year has better earned the right to race against the best of the colts than this same Nimba. It is true that she only took up 111 pounds in the Oaks, while in the Belmont Stakes she would have had to shoulder 121 pounds, but she beat the Oaks fillies with such ease that it was suggested she could readily have shouldered her weight. Of course, it is a big contract for a filly to meet the best colts in racing at a mile and a half, but it must be remembered that Francis Morris' Ruthless was the first winner of the Belmont Stakes at Jerome Park in 1867, and Harry Payne Whitney's great filly Tanya was the first winner over the Belmont course when she triumphed in the 1905 renewal, but in Tanya's year the Belmont Stakes was only at a mile and a quarter. But of course, with Nimba not an eligible, all of this means nothing except that she would have been a worthy representative of the gentler sex had it not been that she was declared from the Belmont Stakes in March.

Considerable interest is taken in the conditions that have been announced for the new Grand National Steeplechase, which will be the most valuable cross-country race on this continent with its $35,000 added money. The conditions seem to offer an adequate test for a champion when the distance is fixed at three miles.

To make the race of still greater value the subscriptions are fixed at $50 to nominate with an additional $50 forfeit and then $500 additional to start. That fixes it at $600 to send a horse to the post, but the race warrants such a fee. And the added value four moneys, second is to receive $5,000; third, $2,500, and fourth, $1,500.

The arrangement of the weights seem to be ideal. Starting at scale there are penalties and the aggragate carries a horse to ten pounds over the scale, while there are allowances that reach to ten pounds below the scale. That is a range that should make for a great contest and it is a race well calculated to determine the champion steeplechaser of the year.

The first running of this great jumping race will be through the Belmont Park field next fall, though the exact date has not yet been announced. The entries are to close for this as well as the Broadhollow Steeplechase Handicap, to be run at the same meeting, on Tuesday, July 12.

Nothing has been done better calculated to awaken new interest in cross-country racing than this race and the Westchester Racing Association is to be commended when they added the $15,000 to the $20,000 that is donated by a group of "friends of steeplechasing" as they are designated in the conditions of the race.

The Grand National is a race that is sure to induce the importation of the best horses available and, with this auspicious beginning, it is easy to visualize it as a race approaching the importance that is enjoyed by the Liverpool Grand National Handicap, the greatest of all cross-country races.

One more of the various June fixtures for the three-year-olds passed into history with the running of the Belmont Stakes at Belmont Park on Saturday, but there remain two other big races down for decision before the end of the month. There is the American Derby of

DICK WELLES' SELECTIONS

At Washington Park

One Best Bet—HATS U P—In the Third Race.

Monday's racing at the Illinois Jockey Club course is featured by the Wellington Purse, a test of a mile, and engaging some of the better grade of racers. Such good ones as Iron Mask II., Flagship, George De Mar and Sandy Man are entered, and they should put up a good performance.

Supporting the main number is the Smart Set Purse, fashioned for two-year-old fillies to race over the five-eighths distance. There are some pretty fair ones entered for this contest, too.

The balance of the card is made up of claiming races, with large fields likely to be seen in action in most of the events.

NINETEEN SIXTY—PIUTE—HELEN E.

A cheap band of two-year-old maidens meet in the opener, over the five-eighths distance. NINETEEN SIXTY is possibly good enough to graduate, providing he puts forth his best efforts. He has been threatening to win for some time and may be able to turn the trick today. PIUTE has shown promise at times and stands a good chance in this field. HELEN E.'s last effort repeated should land her some part of the purse. DIVOT is possibly the best of the others.

THEO. RED—GOSSOON—ADELE W.

A limit field is expected to go to the post in the second, a three-quarters dash. THEO. RED won so easily in his first appearance here that he must be given the call in today's number. GOSSOON, on his best form, rates as second best, and is a speedy individual when right. ADELE W. was able to win her last time out at Aurora, and a repetition of that effort today should find her landing among the first three. HIGH JOY is nearing best form and may bear watching in this field. LIBERATION would have a good chance if the going was muddy.

HATS UP—FRANK ANDREWS—RUSHEE.

That last race run by HATS UP was far from his best form and must be thrown out of the calculations in figuring the probable winner of the second. If he were to race as he is best capable, he would line up as the most likely winner of the day. FRANK ANDREWS has yet to win a race, but he is not far from winning form and may be the one to give HATS UP the most trouble today. He raced well in his initial effort here. RUSHEE scored three times in a row at Aurora, but meets stiffer opponents here and is not looked for to add another win to his credit. LITTLE GUINEA has an outside chance.

FAIR ANITA—PANDALE—ANGRY MOOD.

FAIR ANITA has raced well enough to date to give her the call in the Smart Set Purse. She was a winner at Pimlico and, in her only start here, finished a good second to Birdwood. She would need to improve but little over that last race to enable her to score in this field. PANDALE will be making her first appearance since the Jefferson Park meeting, but has been training well and seems ready for the issue. ANGRY MOOD only has to run her usual race to land the short end of the money. MADCAP PRINCESS showed nothing in her first time out, while the other two will be making their first appearance under colors.

FLAGSHIP—GEORGE DE MAR—IRON MASK II.

The last race turned in by FLAGSHIP was such an improvement over a previous effort that he must be given the preference in the Wellington Purse. He found Barbara a touch one to catch in that last race, but, with the latter out of the way today, should show to much better advantage. GEORGE DE MAR is in good form right now and should be the one to give FLAGSHIP the most argument. IRON MASK II., with his light weight, should give a good account of himself. CHICAGO failed to show any of his good speed in his first appearance of the year, but he may have needed that race and should do better today.

SPEEDOMETER—JOE JUNIOR—ENGADINE.

Some fairly good ones hook up in the sixth, over the mile distance, with SPEEDOMETER picked as the one to win. He has been racing well of late and, in his only start here, put up a good performance, though failing to land in the money. He would need to improve but a little over that last race to enable him to score in this number. JOE JUNIOR turned in one of his good races last time out, when he was an easy winner, and a repetition of that effort here should find him close up at the finish. ENGADINE only has to repeat her last race to land some part of the coin. AREGAL would fare better if the track was muddy. MOLLIE MYHILL is more than due for a winning trip.

BURNT—MIKE McLUKE—MAY STEIL.

The final number, over the mile and an eighth distance, may prove a profitable spot for BURNT. He has been working well of late and only has to race back to his trials to be the one to lead the others home. MIKE McLUKE has been training satisfactorily also and he may be good enough to land the place portion of the purse. MAY STEIL could account for the short end of the coin if she were to race in her best style. BOSH may have to be feared. She tired in the final stages in her last race and is bound to improve over that effort.

TROY CHEMICAL CO.
$5.50 a bottle Binghamton, N. Y.
Druggists sell and guarantee "Save-the-Horse," or we mail it direct. It's CHEAPEST, helps horses most and quickest.

South Covington, Ky., Feb. 22, 1927.
Troy Chemical Co.,
Binghamton, N. Y.
Dear sirs:

The party I sold "Carpenter" to brought him from the farm yesterday.

The boys at the track had not seen him since last October and the condition of his legs caused a mild sensation. They are almost as clean as the day he was foaled, just a slight bunch on the outside of his right foreleg. He is as limber as a yearling and trots free and sound.

The drug stores sold four bottles of Save-The-Horse within an hour after the horse arrived on the track.

Save-The-Horse surely does the work when properly applied and with a little common sense.

Yours truly,
WM. STUEVE,
106 East 32nd St.

(Continued from second page)

the Illinois Jockey Club, to be run at the Washington Park track in Chicago next Saturday, and the Latonia Derby, on the Saturday following. Those two big races are, like the Belmont Stakes, at a mile and a half distance, and each has an added money value of $25,000.

But the Queens County Jockey Club, which begins its meeting today, also has a pair of three-year-old races, which, while not of a like value with those of the Middle West, will keep some of the New York horses at home. These are the Broadway Stakes, to be run on June 15, and the Shevlin Stakes, that is down for decision June 21. The Broadway Stakes is a mile and a sixteenth dash, to which $2,500 is added, while the Shevlin Stakes is at a mile with $5,000 added. Both of these races will have a considerable value, for each received a liberal list of nominations.

CHANCE SHOT VICTOR

(Continued from first page)

third from the Greentree Stable's Glade by a nose.

There was some delay at the barrier, for which both Distraction and Groucher were to blame. Then when the barrier rose Groucher left running, while Distraction bore in slightly and almost everything else in the company was in a tangle. Sande made excellent use of his advantage and his mount was at no time forced to do his best.

Distraction was in second place to the final eighth post, but he could not cut down the lead of the Whitney colt and then when the real racing began, he was no match for Scotch and Soda. The others were at no time serious contenders.

The National Stallion Stakes was over the five-eighths distance and Groucher ran the distance in :59⅘ against a strong head wind. The prize was worth $22,710 to the winner.

A mile for platers of the better quality, was the first offering and C. L. Carroll furnished the winner in Athel, when he led home John Lowe's Clear Sky, with Bert Pomeroy's Tyson just beating William Ziegler's Colorful for third place.

Athel led the pace and was no time threatened, but it must be said on behalf of Clear Sky that he did not have the best of luck. Barnes was forced to race along the outside with him all the way and he lost several lengths on the turn into the stretch. Through the last eighth he closed resolutely and, while he was still a length and a half back of the winner, he easily disposed of the others.

The Cherry Malotte Steeplechase, named for a favorite mare that raced through the field for the Greentree Stable some years back, was won by Jolly Roger of that same stable. He was ridden by "Specs" Crawford and the only one to oppose him was Endicott, comparatively green fencer in the Joseph E. Davis stable.

Through the early race Crawford permitted Cheyne to make pace with Endicott and he rated the big chestnut back of him until the back field was reached. There he sent Jolly Roger into the command and, while Endicott hung on with becoming courage for the rest of the journey, the Greentree gelding held him perfectly safe all the way to be winner by four lengths.

LATONIA'S FINE CARD

(Continued from first page)

that provided most contention, for the winner during the first five-eighths. Aside from flashes of early speed from Lady Paramour and Golden Fair, the others were outrun.

The colors of Walter I. Kohn of the Kentucky State Racing Commission and one of the many hundreds of visitors here for the day from Louisville, were carried to victory by his Midnight Rose in the opening race. She won from Kiyi after a long hard drive in the final eighth of the one mile and one-sixteenth course. Third place fell to Fretwell, the placed trio racing in the positions occupied at the finish virtually the entire distance. The winner was a pronounced favorite.

The Foxcatcher Farm's Fedonna exhibited excellent ability in the rough going when, after being away slowly, he gave such a fine performance that the finish found him overhauling Colonel Shaw to win by a head. Colonel Shaw had disposed of Wisdom, the early leader when an eighth out and, although he made a game finish, could not meet the winner's strong belated rush. Pellegrino, in giving an even performance the entire five-eighths, was in a forward place throughout and third at the finish.

The seven platers that started in the third race failed to provide an interesting contest, Muldoon winning in a canter from Stampdale, with Roycrofter third. The field was well strung out after the first quarter of a mile and, aside from Muldoon's racing past Stampdale in the stretch, there was no altering of positions. The winner was second choice to Stampdale, but the latter's defeat was of such a decisive nature as to leave no doubt of the winner's superiority.

The Southgate Purse, the best of the races that supported the two features, provided Canter an opportunity to score his first victory over the track. Racing in his best form with the top weight of 116 pounds, he outran his four rivals over one mile and seventy yards, leading at the end by four lengths, with Royal Julian second, and Fire On third. Canter stumbled slightly after the start, but C. Allen steadied him quickly and it was no effort for him to make his way to the first turn in front. Thereafter Allen rated him under restraint, and Royal Julian's challenge inside the stretch turn was easily overcome. In the first five-eighths, Frank McMahon forced the winner's pace, but the effects of early usage were manifest in the stretch, where he tired badly.

YEDDO OAKS WINNER

(Continued from first page)

field was an unwieldy one and gave the starter considerable bother before he caught them in good alignment to send them on their journey.

St. Valentine achieved victory in the sixth race, which was at a mile out of the chute. He raced the distance in 1:39⅗, which was the fastest of the meeting. He won well in hand after having led for the entire distance. Silver Song also showed a good performance and, had she been able to secure racing room during the earlier stages, might have forced him to a greater effort. Cogwheel held the remainder in the field safe, which included Smiling Gus and Hopeless, both of which performed somewhat below their best capabilities.

Era Lee II. furnished the surprise of the closing contest, at a mile and an eighth, when she beat home Scampaway, with Extra Edition following. The winner was favored by her light impost and she wore down Scampaway in the last quarter to win well in hand. Scampaway held on well in the final drive to land in second place. Sagamook closed a big gap and, but for losing much ground by racing wide during the last three-eighths, would have been a strong contender.

Our connections will not permit us to place any money at the tracks, and the layers we are doing business with will not take as much as we want to give them, because we have been hitting them hard. That is why we are making this offer of the first week free, so we can greatly increase our clientele.

True, we have a very big following, but we have to pay our connections so much to get these good things that we have to increase our clientele immediately.

We will wire you a two-horse parlay at 8 a. m. every day for six days free. Play as much or as little as you like. We advised our connections that we were taking on a lot of new clients this week and to let us in on real good things, no matter how much it costs us.

After the first six days are up you are to play a $20 win parlay each day, and at the end of every week telegraph us one-third of the total winnings. It will be easy for you to play $20 a day after the first week.

If our terms are agreeable we want you as a client. If you only want the information for a week please do not answer this advertisement. We don't want our regular clients to take exception to this offer to new clients. Remember, you all had a free trial when you first joined us.

Miscellaneous expenses in giving you this trial offer amounts to a little more than $4—so telegraph us $4 now and we will start you right away. City folks may call.

NOTICE

HOWARD R. DALE, 515½ Madison Avenue, Covington, Ky.

The safest, surest betting proposition is going for the money Monday here at Latonia. This horse was shipped here purposely to win a big bet for us, and also to get a good price on it. While the race, which we expect to win, has good horses in it, we can easily trim them all, and, I dare say, our horse will not be picked by any clocker—which will be all in our favor. If you are in a position to bet Monday this is an opportunity to win hundreds of dollars. I would like to hear from ten players who will treat a man square. If you are a small player, or a big bettor, I will say that you are getting the best direct information that is possible to obtain, regardless of cost. If you will promise to keep this information among ourselves, and agree to telegraph to me the winning of a five-dollar win play, then I will wire you Monday, providing you send your street address. Wire or write me tonight. Don't miss this one.

THESTYLIS OTTAWA SUPRISE

Foreign-Bred Colt Scores Before Ottawa's Largest Crowd.

Chateau Laurier Purse Feature of Program at Connaught Park — Governor-General and Wife Witness Afternoon's Racing

OTTAWA, Ont., June 11.—All attendance records for the Connaught Park Jockey Club were broken today when the largest throng in the history of this young track was on hand to witness a good program. Seven races were included and in each race large and well-matched fields started. The main race of the afternoon was the sixth and it was called the Chateau Laurier Purse and decided over the three-quarters mile route.

Following the running of the first race Lord and Lady Willingdon, the governor-general of Canada, and his wife, arrived in state and his cortege was loudly greeted as they came through the stretch escorted by a battalion of bodyguards.

Thestylis, a foreign-bred son of Tredennis—Phyllis, which races for H. R. A. West and making his second appearance under colors on this side of the Atlantic, both of which have taken place here, was returned the winner of the feature and, incidentally, caused the largest price of the season in Canada to be hung up when he scored from Sandhills, which he defeated by three-quarters of a length.

Sandhills and Leatherwood were played to the exclusion of all others, but the latter was a dismal failure, finishing last in the field of six. The third portion of the purse fell to J. A. Sullivan's Hobcaw, which, for a brief moment in the final drive, appeared as if he would win a handy victory, but he tired and Thestylis, coming again, managed to get to the front midway of the stretch and was drawing away at the end.

UNEXPECTED RESULTS.

Province-bred horses made up the field in the initial dash and five answered the call. With the running came a surprise when Shepherd of the Hills, neglected in the wagering, scored brackets, while Madame Pompadour and Ugo II. divided the remainder of the purse between tehm. Sphericity, installed the choice, flattered in the early stages by showing the way until reaching the stretch turn, where she was joined by her opponents and, in the drive that ensued from the top of the stretch, Shepherd of the Hills, which was trailing the field of five to this juncture, moved to the leaders and, in the final eighth, managed to dispose of the leaders and drew out to win by a length from the weakly ridden Madame Pompadour, which suffered from interference rounding the turn. Bulcroft was unable to hold her head up when the drive came, while having his mount in the deepest footing along the inner rail.

Twelve platers of the ordinary variety met in the second race of the afternoon, and J. Findlay's Ticacey proved the best mud runner, when he was returned the winner in easy fashion under the guidance of S. Bulcroft, who rode a different race on the Findlay starter than he did on Madame Pompadour in the opening dash. With the same tactics Bulcroft would no doubt have had the mount on the first two winners. Second place fell to Little Nipper, which was beaten by three lengths, while just a nose separated him from Village of Hit, with Quinham right at their heels as the finishing mark was reached.

BIGGEST UPSET OF MEETING.

The biggest upset of the meeting took place in the running of the third race, a dash over the five and a half furlongs route, when Sea Crest, an extreme outsider in the field of ten, was returned the winner in a stirring drive to get a close decision over Costigan and Somerset. At the end of the journey this trio was separated by two heads and a few more strides would have found either the second or third horses victorious, as Sea Crest was staggering at the finish. Barrow, favored over the others, failed badly and his poor showing was a distinct shock.

A spirited duel came with the running of the fourth race when three of the contestants that made up the field of ten that strived for supremacy came dashing down to the finishing mark so closely abreast of each other that the official placing again came into evidence to separate the trio as they flashed by the imaginary wire. When the numbers were hoisted the verdict was accorded to Invictus, the public choice, with Alley Oop and Thorn Blossom sharing the remainder of the purse. Invictus broke while in motion, but dropped back soon after the start. Once in full stride he raced to the leaders and, finishing in determined fashion, just managed to overtake Alley Oop in the closing strides. Thorn Blossom, after opening up a big lead in the early stages, quit badly when the real racing began.

Walter J. Salmon's Black Friar scored his second set of brackets, during this meeting, when he made a show of his company in the South Hull Purse, the secondary feature carded on the program, and incidentally administered one of the biggest shocks to the talent when he easily took the measure of the heavily-backed Marie Blanch II., which, from a poor beginning, was made entirely too much use of getting into command of the field of five, and when the real struggle began, she was unable to resist the onrush of both the winner and Sam Slick.

Illinois Racing Law Effective July 1

SPRINGFIELD, Ill., June 11.—Minus the signature of Gov. Len Small, the Lager Horse Racing Bill, regalizing the use of pari-mutuel betting machines on the race tracks in the state, will become effective July 1. The measure, having passed both houses of the legislature, was sent to the governor, but the executive decided to let the bill become law by allowing the constitutional period of ten days to elapse without exercising his right of veto or approval.

The Lager bill provides for the licensing and regulating of horse racing in the state by the director of agriculture. License fee money must be turned over to the state treasurer to be used as prize money or premiums at fairs and exhibitions in the state. The pari-mutuel system of betting is authorized (minors excepted) and the licensee is to retain not to exceed 6½ per cent and the breaks as his commission.

The act does not apply to race meetings at state or county fairs.

AMERICAN DERBY STARTERS

General Manager C. W. Hay Announces Contestants for Next Saturday's Big Race.

HOMEWOOD Ill., June 11.—According to information received by general-manager C. W. Hay of the Washington Park track, Laddie is a certain J. E. Widener representative in the American Derby, which will be decided over the Homewood course Saturday, June 18.

The colt is intended for shipment from New York early next week, and will indulge in final training for the race over the track, where he will race Saturday. Jockey Earl Sande will be here to ride him.

While it has not been definitely decided with regards to Chance Shot, it is unlikely that the winner of the Belmont Stakes will be sent here, though this by no means is to be taken as the owner's final decision. Another potential candidate that will arrive on the battle scene early during the week for his impending start Saturday, is Senator J. N. Camden's Hydromel. From present indications the colt will be shipped here by trainer Dan Stewart to join the division that Roscoe Goose is training here for Mr. Camden, and the colt will receive his final preparation over the track. Mr. Camden is bringing a party of twelve guests for the occasion and has reserved three clubhouse boxes, where he and his guests will witness the Derby running.

Trainer John Schorr, in charge of the E. B. McLean horses, according to advices, contemplates the shipment here of both his Derby eligibles, Jock and War Eagle. Both colts have been training in splendid style recently and the trainer has high hopes that one of the McLean representatives will land the coveted prize.

While there is little likelihood that Osmand will be sent in this direction to compete in the Derby, he may be seen in action later at Lincoln Fields. The present intention of his trainer, Pete Coyne, is to give him a deserved rest after his strenuous training and starting in the Kentucky Derby and the Fairmount Derby.

General-manager C. W. Hay confidently expects a field of twelve starters in the big race that features the Washington Park racing, and it is more than likely that at least ten will go to the post. In addition to Laddie coming from the East, it is also expected that Black Panther will make the trip. S. C. Hildreth is also expected to have a representative in the race, probably Sweepster. Scapa Flow is also held to be a possibility, and so is Rip Rap.

Interest continues in the race and prices are being changed daily by the influence of backing for some of the potential candidates that are expected to start. The latest quotations offered on a play-or-pay basis by a prominent St. Louis layer follow:

	Straight.	Place.	Show.
Chance Shot	4	2	1
Whiskery	4	2	1
Buddy Bauer	6	3	3-2
Rip Rap	12	6	3
Rolled Stocking	12	6	3

Valorous	12	6	3
Fred Jr.	12	6	3
Hydromel	12	6	3

AQUEDUCT OPENS MONDAY

Brooklyn Handicap and Dwyer Stakes Are the Outstanding Attractions of Meeting.

NEW YORK, N. Y., June 11.—With the Jamaica and Belmont Park spring meetings matters of history, and the Aqueduct session due to open up Monday, the racing season of 1927 may be said to be safely launched. That the sport furnished patrons of The Jockey Club courses has been up to the standard of other years, will be granted, though the season was one of the most backward that can be recalled in a generation or more.

With the Suburban, Belmont and other great fixtures decided, the eyes of the racing world are now directed to the many fine tests which the Queens County management has prepared for its patront between June 13 and July 6. In the Brooklyn Handicap, to be run next Saturday, we shall have a renewal of the Suburban, while the Dwyer Stakes, on Saturday, July 2, will take its place as a test of thoroughbred quality alongside the Belmont or any other three-year-old fixture of the year. It will not equal the Belmont in value, but it will be worth upward of $40,000, and is run at a mile and a half, the same distance as the Westchester classic.

Making the Dwyer a test of a mile and a half, and adding $20,000 to it, gave the public proof of the progressiveness of president James R. Hyde and others responsible for the policy of the organization which has made a host of friends among horsemen.

Since its inception in 1887, the great Brooklyn Handicap has been, until this year, decided on the opening day. It was decided to race the Queens County Handicap at a mile Monday, and leave the older and more important race to be decided on next Saturday. This will give several of the three-year-olds a chance to take part in the mile and an eighth classic, which closed with seventy-six nominations, and has among its eligibles such fine performers as Crusader, Black Maria, Whiskery, Macaw, Chance Play, Espino, Display, Sweepster, Cheops, Senalado, Mars, Blondin, Dangerous, Edith Cavell, Navigator, Sarazen, Copiapo, Flambino, General Lee, Premier and Peanuts.

COL. J. W. ZEVELY IS DEAD

Man After Whom Rancocas Stable Named Its Champion Zev Passes Away.

EAST HAMPTON, L. I., June 11.—Col. J. W. Zevely, known throughout American turf circles as the man for whom Harry F. Sinclair, proprietor of the Rancocas Stable, named its champion Zev, conqueror of Papyrus in the International Race in 1923, died at his country home here last night of pernicious anemia. Colonel Zevely, who had been in ill health for a considerable time, was 77 years old.

Colonel Zevely was a member of the law firm of Zevely & Givens, of Muskogee, Okla., from 1902 until 1917, in which year he became attorney for the Sinclair Consolidated Oil Corporation. He then moved to Washington and subsequently to New York, where his home was at 1107 Fifth Avenue.

A native of Linn, Mo., Colonel Zevely was educated in the public schools and Christian Brothers' College, St. Louis., and the University of Virginia. On his graduation from the university he was appointed Missouri state librarian at Jefferson City. In 1888 he became active in Western politics and was elected secretary of the Missouri State Democratic Committee, which aided in the election of David R. Francis, governor of the state. On his appointment as secretary of the interior by President Cleveland in his second administration, Governor Francis made Zevely inspector-in-charge for the interior department. Colonel Zevely thus settled many important Indian land problems. It was during this period of his life that Colonel Zevely read law.

Colonel Zevely is survived by his wife, who was Miss Janie F. Clay of Mexico, Mo., and a daughter, Miss Jane Clay Zevely.

EASY FOR REPUBLIC

(Continued from first page)

purse. The lightly regarded Polycarp, showing marked and suddenly improved form, sprinted over the three-quarters in advance of his opponents to a rousing victory. He was at long odds. Another outsider landed in second place, when Lathrop, making his first start since last year at Lincoln Fields, charged down on the outside in the final stages and beat Triplett for that position. Triplett took third place and he was another which was given little attention in the betting. Rundark was a heavily-supported favorite, but he made a miserable showing and disappointed many admirers.

Favorites continued to disappoint their followers, when the well-backed Elevate bowed in defeat to William M. Cain's Aviator and H. C. McConnell's Greta in the second race, a dash of five and a half furlongs, for two-year-olds. Jockey T. Root outgeneraled the other riders and, refraining from racing his mount with the leaders to the stretch, moved to the inside and, wearing down the leaders in the stretch, got Aviator up, to win going away. Greta set a good pace to the stretch, was then outfinished by the eventual winner, but easily took the measure of Elevate for second place.

Jockey T. Root made it a double victory for himself when, after piloting the second winner, he came back and rode Kindred in good style, to upset calculations by scoring from the well-backed Gotham and Harry B. in the three-quarters mile third race. Kindred was kept close up from the start, and taking command when the early leader, Quanah, quit after setting the pace in the first quarter, the Wildrose Farm's mare was then in the van of the others to the finish. Gotham was away poorly and was shuffled back to last place, then closed a big gap, overcoming much interference to get up at the end and take second place. Harry B. wound up third. Queen Clara was the favorite, but she disappointed.

C. A. Coyle's Sea Rocket repeated his last good race, and was again victorious over a good band which started in the Evergreen Country Club Handicap, for a purse of $1,500 added, the supplementary feature. Bombay raced to second place, while W. J. Salmon's Martha Washington gave a good account of herself under the good riding of jockey L. Schaefer, and accounted for the third portion of the purse. Bombay was hustled away into the lead by Pichon in the early stages and set a good pace to well into the stretch. Sea Rocket, always a forward factor, challenged the leader on the outside, and outstayed him in the last seventy yards.

Fitzgerald and Patterson's Dr. Cardenas soundly trounced the ones he was pitted against in the sixth race at a mile and a sixteenth. He assumed command at the start and showing much the most speed at all stages made every post a winning one. There was much support for him in the betting and he ruled a strong favorite. Music Shop proved second best and was up at the end to vanquish the others for place money, while Ocean Current finished going well on his own courage for the minor award.

The stewards took action against jockey D. Froggatte, and the veteran rider was suspended for the remainder of the meeting for his rough-riding tactics employed while astride Bonivan in the Valley Stakes.
